Common Sense Banking and Mortgage Solutions

Ironically, common sense has never been all that common. If it were, banks would only sell you what you need. Everything would be fair, without all of the fine print. And, when your banker looked at you, they wouldn't just see a number, they'd see a dad, mom, graduate, or business owner. That's why at Community Banks of Colorado and Community Banks Mortgage we understand the complexities of people's lives and offer simple solutions. We call it banking with common sense, and we invite you to do the same.

Our Banking and Mortgage Solutions

- A full suite of Business solutions including Commercial and SBA Lending
- Customized local Treasury Management support and advanced Fraud Prevention solutions
- Convenient digital banking tools such as Online and Mobile Banking, Mobile Deposit and Zelle®
- Checking, Savings and Money Market accounts you can open online or at any of our banking centers
- Special banking offers for Students, Military and First Responders
- Full-Service ATMs throughout Colorado
- Auto and Personal Loans
- Home Equity Loans and Lines of Credit
- Conventional, VA, FHA & Jumbo Mortgages
- Down Payment Assistant & Grant Programs
- Lot & Construction Loans
- Long Term Lock Programs

Community Banks of Colorado believes that common sense is more than just banking. We believe in our clients' futures, and are invested in helping them get there. If you're ready to see how we can help you give us a call today.
